#### CORPORATE MEETINGS

Our beautifully restored vintage period theatre is the perfect space for your next company meeting, training or conference. Each of our three theatres can accommodate different size groups to fit with your specific needs, beginning with 350, 122 and 66 seats in our smallest theatre to capture an intimate teamwork experience. Captivate your audience by displaying your presentation up on the big screen with digital sound quality and a small stage. Concessions, beer and wine selections and private screenings can be added to any event. Please contact us for details and pricing.
